PART II

BACKGROUND AND RATIONALE FOR THE SCHEME

3. Background

- 3.1. NSEL was incorporated on 18.05.2005. NSEL provided an exchange platform for willing buyers and sellers to trade in commodities through brokers. Trades were carried out by members of NSEL. The traders got registered under the Members of NSEL as their clients to trade on NSEL. Pursuant to the Exemption Notification, trading of commodities such as bullion, agricultural produce, metals etc. commenced on NSEL's exchange platform with effect from 15.10.2008.
- 3.2. NSEL offered standardized contracts for buying and selling commodities during the stipulated trading hours. All the terms of the contract relating to trading lots, price quotation, quality specifications, settlement mechanism, place of delivery, date of settlement/ delivery and other conditions are specified in the contract specifications.
- 3.3. At the request of clients, Members of NSEL would place orders for buying/ selling commodities. When orders placed by such buyers and sellers of a particular commodity would get matched automatically on NSEL's exchange platform based on the price and time priority, it results in a trade.
- 3.4. At the end of the day, all trades would get clubbed and obligation of respective Members of NSEL would be generated. Thereafter, the funds pay-in obligation would be intimated to the Members of NSEL whose clients purchased the commodities and funds pay-out obligation would be intimated to the Members of NSEL whose clients sold the commodities. Similarly, commodity pay-in obligation was intimated to the Members of NSEL whose client sold the commodities and commodity pay-out obligation was intimated to the Members of NSEL whose client purchased the commodities.
- 3.5. Based on the intimation from the NSEL, the clients would have to fulfil their respective obligation (i.e. the funds / commodity pay-in obligations) through Members of NSEL through whom they traded.
- 3.6. In the present case, the Specified Creditors had to receive funds and the Defaulters and/ or their clients had the corresponding funds pay-in obligation.
- 3.7. On 12.07.2013, the Department of Consumer Affairs, Government of India, directed NSEL to not launch any new contracts and to close all the outstanding contracts on their respective due dates.
- 3.8. NSEL thereafter suspended its exchange operations on 31.07.2013 and called upon Members of NSEL to *inter alia* complete their respective delivery and payment obligations for the outstanding trades as of 31.07.2013.
- 3.9. However, in August 2013, 24 Members of NSEL defaulted in honouring their respective pay-in obligations on NSEL's exchange platform. As a result of this default by the 24 Members of NSEL, there was a failure in making pay-outs to their counter-party Members of NSEL / Brokers, resulting in a payment default of about Rs. 5,402.71 Crores towards the Traders.
- 3.10. A committee appointed by NSEL had found that the Payment Default occurred due to the connivance of some of the employees of NSEL with the Defaulters and the Defaulters' Associates by deviating from the Rules, bye-laws and Regulations of NSEL which were otherwise in place. NSEL had therefore filed a complaint with the EOW. The reason for the Payment Default is otherwise a subject matter of dispute *inter alia* between the Traders, Brokers, Defaulters and 63 moons' Group.
- 3.11. Soon thereafter, 2 out of the 24 Members of NSEL who defaulted in honouring their respective pay-in obligations as stated above, paid the amounts due from them and the balance 22 failed to honour their payment commitment. These 22 Members of NSEL were declared as 'defaulters' in terms of NSEL's rules and bye-laws.
- 3.12. The Payment Default led to the initiation of several civil and criminal proceedings by the Traders and by the authorities *inter alia* against NSEL, the Defaulters, Persons in the 63 moons Group, the Brokers and their directors and officers, including proceedings under the MPID Act, the PMLA, the 1956 Act etc.
- 3.13. Understanding the sensitivity of the situation towards smaller Traders, NSEL, by taking a bridge loan of Rs. 179 crores from its parent (63 moons), paid, on a without prejudice basis, 100% of the outstanding amounts to the Traders having outstanding below Rs. 2 lakhs (608 in number) and 50% of the outstanding amounts to those having outstanding between Rs. 2 to Rs. 10 lakhs (6,445 in number). These amounts were paid by NSEL to the Brokers for onward payment to the Traders.
- 3.14. Several proceedings as enumerated hereinunder have been initiated for recovery of dues of the Traders which have been ongoing for more than 11 years.

4. Proceedings for Recovery for claims of Traders

- 4.1. As stated above, several legal proceedings for recovery of claims of the Traders were initiated. These can be divided into following broad categories:-

4.1.1. Proceedings by NSEL against Defaulters and Defaulters' Associates;

- a. Third Party Notices, Commercial Suits and Arbitration Proceedings;
- b. Cases under Section 138 of the Negotiable Instruments Act, 1881;

- c. Proceedings before the High Court Committee for crystallization of liabilities of Defaulters and Defaulters' Associates;
- d. Execution Proceedings before the Supreme Court Committee;

The current status of the civil recovery proceedings by NSEL against the Defaulters is annexed herewith as **Schedule IV**.

4.1.2.Proceedings by Traders against Persons in 63 moons Group and Brokers and Brokers Associates;

- a. Civil Suits filed in Bombay High Court and any other civil court.

4.1.3.Proceedings by Appropriate Authorities

- a. Notifications issued by State of Maharashtra under Section 4 of the MPID Act attaching properties of the Persons in 63 moons Group, Defaulters, Defaulters' Associates and Brokers and Proceedings initiated by the Competent Authority for making such attachment of properties absolute and for liquidation and distribution to the Traders;
- b. Proceedings filed by the SFIO pursuant to Sections 241, 246 read with 339 of the Companies Act, 2013 against Persons in the 63 moons Group;
- c. The Central Government, through the MCA had initiated proceedings being Company Petition No.1 of 2015 before the Company Law Board, inter alia, under Section 397-398 of the 1956 Act against 63 moons and its directors. One of the stated objectives of the said proceedings was to expedite the recovery process and settle the dues of the creditors of the Company.
- d. Attachment Proceedings under Section 5 of the PMLA against 63 moons, Defaulters, Defaulters' Associates and Brokers.

5. Criminal Proceedings

- 5.1. Criminal proceedings, *inter alia* under the provisions of the Indian Penal Code, 1860, PMLA, MPID Act, 1956 Act and the Act have been initiated against Persons in 63 moons Group, Brokers certain directors of the Brokers, Brokers' Associates, Defaulters and Defaulters Associates at Mumbai, Delhi and Rajasthan. Investigations by EOW Mumbai, EOW Delhi, Enforcement Directorate, Central Bureau of Investigation and SFIO do not reveal any money trail to Persons in the 63 moons Group in respect of the Payment Default. Investigations in each of these matters is complete and the final chargesheets / reports have been filed before the Appropriate Authorities, except in case of Enforcement Directorate where investigation qua some of the Brokers, Defaulters and Defaulters' Associates is still going-on.

6. Settlement of claims of Traders who had outstanding claims of upto Rs.10 lakhs

- 6.1. The claims of Traders who had receivables in respect of their trades upto Rs.10 lakhs have been settled from time to time and have been fully paid.

7. Payment made to Specified Creditors who had outstanding claims of between Rs. 10 to Rs.20 lakhs

- 7.1. The Competent Authority has made part payments from amounts recovered from the Defaulters and Defaulters' Associates to Specified Creditors having claims between Rs. 10 lakhs to Rs. 20 lakhs as per MPID Court Orders.

8. Scheme for Specified Creditors

- 8.1. The Scheme, is therefore, for the settlement of Specified Creditors' Claims only. The total numbers of Specified Creditors as per the records of NSEL are 5682 and the value of Specified Creditors' Claims are estimated at Rs. 4607.65 crores as set out in Schedule III.

9. Rationale

- 9.1. In view of the fact that no substantial resolution has been achieved in the proceedings till date, NIF as a representative of the Specified Creditors, NSEL and 63 moons came together to find a solution to ensure substantial resolution of the outstanding dues of the Specified Creditors through the mechanism of the present Scheme.
- 9.2. On account of these deliberations amongst NIF, NSEL and 63 moons, an understanding has been arrived at that if a one-time settlement amount of Rs. 1,950 crores were to be paid by 63 moons and NSEL to the Specified Creditors, then the Persons in 63 moons Group shall stand released and discharged from all Specified Creditors' Claims as set out in Clause 19 and further that the Specified Creditors shall assign the Specified Creditors' Claims to 63 moons as set out in Clause 21. A proposal was put forth by NIF to 63 moons and NSEL vide letter dated 08.11.2024. The broad terms of the proposal contained in paragraph 5 of the letter dated 08.11.2024 issued by NIF to 63 moons and NSEL are reproduced below for the sake of convenience:-

- “a. An amount of Rs. 1,950 crores (“**Settlement Amount**”) will be paid by 63 moons and NSEL to all remaining unpaid investors in proportion to their balance outstanding claims as on 31st July, 2024. There shall not be any preferential or graded payments to any investor in terms of their outstanding dues. All the investors shall receive their outstanding dues on pro-rata basis in proportion to their outstanding amounts as on 31st July, 2024.

- b. *Any amounts lying with any court, authority or other forums with respect to the Payment Default shall be available to 63 moons and NSEL only for the payment of the Settlement Amount. However, 63 moons and NSEL shall be fully entitled to such amounts after the entire Settlement Amount is transferred in accordance with paragraph 5(g) below and the investors shall have no claim in relation thereto.*
- c. *We have been intimated by certain brokers ("**Brokers**") through whom investors had invested on NSEL that they are also interested in a one-time overall settlement. The Brokers have indicated that they are likely to participate in the proposed settlement by contributing the amount of brokerage earned by them and the same may be utilized by 63 moons and NSEL as part of the Settlement Amount. In such an event and subject to payment of the Settlement Amount, the proceedings against Brokers who have contributed as aforesaid would be withdrawn. After payment of the Settlement Amount, 63 moons and NSEL shall be entitled to contribution from Brokers.*
- d. *The Proposal would be implemented through a settlement arrangement / scheme ("**Settlement Arrangement**") presented before and approved by a judicial forum of competent jurisdiction.*
- e. *The payment of the Settlement Amount or any part thereof shall be subject to certain legal proceedings against 63 moons, NSEL and persons indicated by 63 moons being withdrawn / settled / closed and their liabilities being discharged as provided in the Settlement Arrangement.*
- f. *Once the proceedings as stated in paragraph 5(e) above are withdrawn / settled / closed, the Settlement Amount would be transferred by 63 moons and NSEL in accordance with paragraph 5(g).*
- g. *63 moons and NSEL shall be required to transfer the Settlement Amount, either directly or from the properties / amounts released pursuant to the withdrawal / settlement / closure of proceedings as stated in paragraph 5(e) above to a separate account as shall be provided in the Settlement Arrangement for disbursement to the investors ("**Settlement Account**"). Until then, 63 moons and NSEL shall not be entitled to transfer, alienate or create any third-party rights in respect of the properties / amounts that are released pursuant to withdrawal / settlement / closure of proceedings as stated in paragraph 5(e) above save and except for the purposes of generating the Settlement Amount as per the Settlement Arrangement. Once the entire Settlement Amount is transferred by 63 moons and NSEL to the Settlement Account as contemplated in the Settlement Arrangement, 63 moons and NSEL would thereafter be entitled to use the properties / amounts released in any manner as it deems fit. Either the judicial forum before whom the Settlement Arrangement is presented or any person appointed by it shall control and / or monitor the Settlement Account in accordance with the Settlement Arrangement or as otherwise directed by the judicial forum.*
- h. *On payment of the Settlement Amount, all rights and claims of the investors emanating directly or indirectly from the Payment Default shall stand assigned to 63 moons."*

- 9.3. Thereafter, the above proposal was put forth to the Specified Creditors by NIF through an online voting mechanism on the website www.nsel-ots.in as NIF does not represent all the Specified Creditors. A majority of the Specified Creditors, being 3,088 in number and having approximately 64.11% in value of the outstanding claims voted in favour of the above proposal for one-time settlement.
- 9.4. Since NIF does not represent the entirety of the Specified Creditors, it has been thought fit to initiate the present proceedings by way of a scheme under the provisions of Section 230 of the Act so as to bring about a one-time settlement and closure of proceedings which are referred to herein and are pending before various fora.
- 9.5. The present Scheme is, therefore, a scheme of arrangement between NSEL and a class of creditors namely the Specified Creditors. The Scheme is in the interest of the Specified Creditors having regard to the fact that more than 11 years have elapsed since the Payment Default and despite efforts by all parties concerned, the matter has not been resolved for the Specified Creditors. The one-time settlement would result in the Specified Creditors receiving money within a finite period of time. It has, therefore, been thought fit to initiate the present proceedings to arrive at and implement a one-time settlement for the Specified Creditors' Claims.
- 9.6. Further, the Scheme would result in closure of proceedings against NSEL and a release and discharge of liabilities from the Specified Creditors' Claims and removal of restraints in dealing with its properties.
- 9.7. For 63 moons, the Scheme, in addition to closure of proceedings and release and discharge of liabilities from the Specified Creditors' Claims, entails an assignment of the Specified Creditors' Claims and removal of restraints in dealing with its properties. The value of orders / decrees / awards that NSEL has obtained against Defaulters and Defaulters' Associates for recovery of the Specified Creditors' Claims, which are currently being executed before the Supreme Court Committee, are to the tune of Rs.4,294.77 crores. Further, NSEL is also pursuing Commercial Suit No. 126 of 2021 against NK Proteins Ltd. (Defaulter) and ors. wherein in the claim amount is in excess of Rs.900 crores. Further, according to a Press Release dated 24.07.2016 issued by the Ministry of Finance, Government of India, the value of properties attached under the MPID Act was a sum of Rs.6,115 crores. Since the properties of 63 moons were not attached on 24.07.2016, the amount of Rs.6,115 crores does not include the value of properties of 63 moons.

Brief overview of MPID Act

- 14.2.2. The MPID Act is an act for the benefit of depositors of financial establishments as defined therein. Section 3 of the MPID Act is the charging section for criminal proceedings whereas Section 4 contemplates attachment of properties of financial establishments and other persons as provided therein by the State of Maharashtra by issuing notifications in the official gazette. Post attachment, the competent authority appointed under the MPID Act is required to apply to a designated court under the MPID Act seeking orders to make the attachments absolute. The designated court, after hearing objections, is empowered to vary or vacate the attachment or make the same absolute. In respect of properties where the attachments are made absolute, the designated court would then pass directions to realise their value and for equitable distribution of the money realized therefrom to the depositors.

NSEL, Defaulters and Brokers construed as financial establishments

- 14.2.3. NSEL, Defaulters and certain Brokers have been construed as "financial establishments" and the Traders have been construed as "depositors" under the MPID Act by State of Maharashtra. Along with the properties of Defaulters, Defaulters' Associates and some Brokers, properties of the Persons belonging to the 63 moons Group have been attached under the MPID Act.

- "...This contents in the say establish that, the competent authority is not going to rely on MA no. 1511/2017 anymore. Even, if the competent authority revives MA No.1511/2017, the plea of res judicata i.e. section 11 of C.P.C. will always be available to M/s. 63 Moons Technologies Limited, as the proceedings will be dealt as per section 7(5) of the MPID Act where, the designated Court has all the powers of a Court in hearing a suit under Civil Procedure Code, thereby making C.P.C. applicable."*
- 14.2.11. As of date, no steps have been taken by the Competent Authority for the revival of M.A. No. 1511 of 2017. However, the notification dated 21.09.2016 remains in effect pursuant to the judgment dated 22.04.2022 of the Hon'ble Supreme Court.

- f. Directions from the Appropriate Authority that following the Settlement Trigger Event, any monies collected / recovered by the Competent Authority from the liquidation of properties in relation to the Payment Defaults shall be distributed to 63 moons as assignee of the Specified Creditors.

Rationale for the Conditions

- 14.2.18. MPID Act has been enacted, inter alia, for the benefit of depositors and to protect the interest of depositors in financial establishments and provides for attachment and liquidation of properties for distribution to depositors.
- 14.2.19. In terms of the Scheme, it is contemplated that Specified Creditors who have been construed as depositors under the MPID Act are going to receive money from out of the attached properties of 63 moons and NSEL.
- 14.2.20. Further, the Scheme provides for one-time settlement for the Specified Creditors' Claims, and release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims. Thus, there is no justification to continue with the attachment of the properties of Persons in 63 moons Group.
- 14.2.21. The Scheme also contemplates the assignment of the Specified Creditors' Claims to 63 moons. Hence, 63 moons shall become entitled to receive any monies collected / recovered by the Competent Authority from the liquidation of properties in relation to the Payment Defaults pursuant to the MPID Act after the Settlement Trigger Event.

14.3. Proceedings under the PMLA against 63 moons

- 14.3.1. A case being ECIR No. MZO/ECIR/14 of 2013 was registered by the Enforcement Directorate, Mumbai, on account of FIR No. 89 of 2013 registered by EOW-Mumbai due to the Payment Default.

Attachment of properties of 63 moons under PMLA

- 14.3.2. Pursuant thereto, the Enforcement Directorate had attached properties of 63 moons under the PMLA. Details of all relevant orders and proceedings in relation to the same are as follows:

Proceedings before the Adjudicating Authority, PMLA

- 14.3.3. As reflected in the above chart, the Adjudicating Authority, PMLA confirmed the aforementioned PAOs vide its orders dated 22.03.2017, 09.03.2017 and 14.07.2017.

Appeals before the PMLA Appellate Tribunal

- 14.3.4. 63 moons challenged the orders of the Adjudicating Authority in Appeals before the PMLA Appellate Tribunal. Vide its order dated 17.09.2019, the PMLA Appellate Tribunal set aside the PAOs subject to 63 moons and its promoter Mr. Jignesh Shah giving certain undertakings and after coming to a finding that "Admittedly the properties attached are not proceeds of crime as defined under Section 2(1)(u) of PMLA."

Appeal before the Hon'ble Bombay High Court

- 14.3.5. The order dated 17.09.2019 of the PMLA Appellate Tribunal has been challenged by 63 moons in Criminal Appeal No.1351 of 2019 before the Hon'ble Bombay High Court and by the Enforcement Directorate in Criminal Appeal No. (St) 139/2020. Mr. Jignesh Shah has challenged the order dated 17.09.2019 before the Bombay High Court in Writ Petition (Crl.) No. 5167 of 2019.

Conditions for Effecting the Scheme in relation to the attachment proceedings under PMLA.

14.3.6. The following conditions are required to be fulfilled for the Scheme to be effective:-

- a. Without any adjudication on merits, allowing of Criminal Appeal No.1351 of 2019 and Writ Petition (Crl.) No. 5167 of 2019 and Dismissal of Criminal Appeal No. St. (139) of 2020 resulting in the release of all properties of 63 moons from attachment;
- b. Pursuant to the order of the Appropriate Authority, (i.) Letters being issued by the Deputy Director, Enforcement Directorate to the respective banks to transfer the amounts lying to the credit of bank accounts / fixed deposits / term deposits / bonds to the Settlement Account and the said letters being delivered to the Escrow Agent in accordance with the Scheme (ii.) letters being issued by the Deputy Director, Enforcement Directorate to concerned depository/ Registrar/ concerned mutual fund house and Transfer Agent and 63 moons, to sell / liquidate specified bonds, mutual funds and to deposit the sale/ liquidation proceeds into the Settlement Account.
- c. Directions from the Appropriate Authority that following the Settlement Trigger Event, any monies collected or recovered by the Enforcement Directorate from the liquidation of properties in relation to the Payment Default shall be distributed to 63 moons as assignee of the Specified Creditors.

Rationale for the Conditions

- 14.3.7. As outlined in the brief background of the proceedings, various properties of 63 moons have been attached through three provisional attachment orders passed by the ED under the PMLA.
- 14.3.8. There is a complete overlap between the properties attached under PMLA and the MPID Act.
- 14.3.9. The Specified Creditors have claimed that they have suffered a quantifiable loss and further contend that the Specified Creditors' Claims ought to be satisfied from the proceeds of the attached property.
- 14.3.10. The cases arising from the Payment Default under the MPID Act and the PMLA are pending before the same court. The MPID Court (which is also the Special Court under the PMLA for the present case), in M.A. No. 434 of 2019, was called upon by one of the Specified Creditors to release properties attached by the Enforcement Directorate under PMLA to enable their sale under the MPID Act as the same properties were also attached pursuant to the provisions of the MPID Act. The MPID Court, vide its order dated 15.07.2019, held that:

"Considering the statements of object as stated above, the provisions of the MPID Act and the PML Act are required to be reconciled harmoniously. But, on perusal of the provisions incorporated under the PML Act, in case of confiscation, the end result would be that the property would go to the Government and in such case the investors, the depositors for whose benefit the MPID Act has been enacted would not be benefited. In view of this I conclude that in order to protect the interest of the depositors, it is necessary to invoke the power under Section 8 of the PML Act and to release the attachment made under the PML Act."

The MPID Court thereafter proceeded to allow the application of the Specified Creditors and the properties were then to be sold and the proceeds thereof to be distributed in accordance with the provisions of the MPID Act. Similarly, the MPID Court (which is also the Special Court under the PMLA for the present case), in M.A. No. 583 of 2019, vide its order dated 11.06.2019, issued identical findings reflecting that the MPID Court has been inclined to release attachments under the provisions of the PMLA to enable sale of properties under the MPID Act in the event there is an overlap in the properties which are subject matter of attachment under the MPID Act and the PMLA.

In terms of the Scheme, it is contemplated that Specified Creditors shall receive monies against the Specified Creditors' Claims from the release of the attached properties of 63 moons.

- 14.3.11. Further, the Scheme provides for the payment of Specified Creditors' Claims, release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims and assignment of the Specified Creditors' Claims to 63 moons. Hence, 63 moons shall become entitled to receive any monies collected / recovered by the Enforcement Directorate from the liquidation of properties in relation to the Payment Defaults pursuant to the PMLA after the Settlement Trigger Event. There is no justification to continue attachment of properties of Persons in 63 moons Group under PMLA.

14.4. Civil Suits before the Hon'ble Bombay High Court.

- 14.4.1. The following suits have been filed by some of the Specified Creditors before the Hon'ble Bombay High Court arising out of the Payment Default for recovery of monetary claims.

Status of money recovered from NAFED in separate proceedings

- a. An Arbitral Award dated 01.05.2017 was passed in a dispute between NAFED and NSEL, directing NAFED to pay various amounts to NSEL. NAFED challenged the Award before the Hon'ble Delhi High Court, which dismissed the challenge by its Order dated 01.09.2017. The Division Bench of the Delhi High Court upheld this decision by its Judgment dated 07.11.2017. A Special Leave Petition filed by NAFED was also dismissed by the Hon'ble Supreme Court by Order dated 17.09.2018, with a modification in the interest rate from 14% to 12%. In execution proceedings initiated by NSEL before the Hon'ble Delhi High Court, NAFED paid Rs. 65 crores directly to NSEL, and the remaining amount of Rs. 32,14,94,304/- was deposited by NAFED with the Registry of the Delhi High Court. In terms of the aforesaid, an amount of Rs. 42,66,31,863.93/- was received from Hon'ble Delhi High Court and deposited with the Hon'ble Bombay High Court.

 - b. all interim orders passed in the aforementioned Suits to be vacated by the Hon'ble Bombay High Court, except the interim order dated 02.09.2014, which shall continue to operate only to the limited extent of the continuation of the High Court Committee in accordance with its existing mandate and as per the directions issued by the Hon'ble High Court.

Rationale for the Conditions

- 14.4.7. As detailed hereinabove, civil suits have been filed by some of the Specified Creditors or on their behalf seeking recovery of their claims on the basis of the Payment Default.
- 14.4.8. In terms of the Scheme, it is contemplated that Specified Creditors are going to receive money. 63 moons is to be relieved of the statement made by it before Bombay High Court vide letter dated 26.08.2014 for the purposes of ensuring the payment of the Settlement Amount.
- 14.4.9. Further, the Scheme provides for one-time settlement of the Specified Creditors' Claims, release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims. Hence, there is no justification for the continuation of the said civil suits against Persons in 63 moons Group.
- 14.4.10. Recoveries available in the NSEL Escrow Account and the money recovered from NAFED deposited with the Bombay High Court are also being utilized for the payment of the Settlement Amount.
- 14.4.11. Commercial Suit No. 126 of 2021 is being pursued by NSEL against NK Proteins and its Associates for claims arising from the Payment Default. Should the matter be referred to the High Court Committee for crystallization of the liability of NK Proteins and / or its Associates, the High Court Committee must continue to function for the purposes of crystallization of the liability.
- 14.4.12. The Scheme also contemplates the assignment of the Specified Creditors' Claims to 63 moons. Hence, 63 moons shall become entitled to receive any monies collected / recovered from Third Party Notices against the Defaulters and Defaulter Associates and Brokers as an assignee.
- 14.4.13. Hence, the conditions in Clause 14.4.6 are necessary for the Scheme to become effective.
- 14.5. **Petition filed under Sections 397 and 398, 388B, 388C, 401, 402, 403, 406, 408 of the Companies Act, 1956**

Filing of Company Petition by MCA

- 14.5.1. Company Petition No.1 of 2015 was filed by the Union of India through the MCA, before the Company Law Board, New Delhi ("CLB") under Sections 397 and 398, 388B, 388C, 401, 402, 403, 406, 408 of the Companies Act, 1956 against 63 moons, its directors and certain employees. Respondent No.29 in the Petition was NSEL.
- 14.5.2. Para 15 of the above Petition states the objective behind filing of the Petition by the MCA which is as follows:
"15. That the Petitioner is filing the present petition in the public interest to expedite the recovery process and settlement of the dues of the creditors of the Respondent No.29 Company and also, by way of abundant caution to prevent any further attempts being made by the Respondent Nos.2 to 28 to thwart the recovery process of Respondent No. 29 Company, and fraudulent sale of assets of the Respondent No.1 Company."
- 14.5.3. Para 9.2 (i) of the Petition indicates that the recovery process referred to in paragraph 15 is recovery by NSEL from its defaulting members. Para 9.2 is reproduced as follows:-
"9.2 i) Respondent No.29 Company and its Board of Directors were responsible for taking all possible coercive measures to ensure settlement of all outstanding dues of its investors as per their rules/bye-laws and other laws of the land."
ii) Even after one year, and in spite of FMC's active role in supervising the settlement of contracts, the settlement plan has not been implemented completely. As a result of which, no substantial payments have been made to the investors and the process of recovery of dues by Respondent No.29 Company from its defaulting members is very slow."
- 14.5.4. On a combined reading of paragraph 15 and 9.2 of the Company Petition, it is evident that the same was filed by MCA to expedite recovery of dues for the Traders (including the Specified Creditors).

Status of Proceedings till date

Interim order of Injunction by the CLB

- 14.5.5. On 30.06.2015, the CLB had passed an order granting ad-interim reliefs to the Union of India directing 63 moons not to sell/alienate/create third party rights in the assets and investments of the 63 moons till further orders. A copy of the order dated 30.06.2015 is annexed herewith as **Schedule VII**. The CLB Order was challenged in appeal filed by the 63 moons before the Hon'ble Madras High Court. The Hon'ble Madras High Court vide its orders dated 10.07.2015 and 10.08.2015 limited the operation of the order dated 30.06.2015 only to immovable properties of the 63 moons. The Union of India challenged the order of the Hon'ble Madras High Court before the Hon'ble Supreme Court. The Supreme Court, by its order dated 18.04.2016, set aside the Madras High Court Orders dated 10.07.2015 and 10.08.2015 and reinstated the CLB Order dated 30.06.2015 and the Hon'ble Supreme Court left it open for the CLB to confirm, vary or vacate the said interim order.

Modification of Interim Order dated 30.06.2015 and appointment of Committee

- 14.5.6. The Order of the Hon'ble Supreme Court dated 18.04.2016 permitted 63 moons to move the CLB for modification of its interim order dated 30.06.2015. Accordingly, 63 moons preferred an application to the CLB to vacate its order dated 30.06.2015. However, by virtue of notification dated 01.06.2016, all matters pending before the CLB stood transferred to the Tribunal. The Hon'ble NCLT, vide its order dated 24.06.2016 read with order dated 25.06.2016, modified the CLB order dated 30.06.2015 to the limited extent by appointing a committee comprising of three directors of the 63 moons, one nominee of the Union of India and a retired Supreme Court Judge ("NCLT Committee"). Disposal of Company Petition No.1 of 2015

- 14.5.7. Vide order dated 04.06.2018, the NCLT disposed of the Company Petition No.1 of 2015. The operative part of the Order is as follows:-

"Summary of Orders:

With respect to relief No. 17.1(a) – R2, R3, R4, R9, R10, R11, R13, R14, R15 & R16 are hereby declared as not fit and proper persons to hold the office as Director or any other office connected with the conduct and management of Respondent No. 1 Company and Respondent No. 29 Company and also not eligible for appointment as Directors in any other company.

...

4. With respect to the relief No. 17.1(d) sought for in the petition it is hereby ordered that the government may nominate not more than 3 directors to the board of R1 Company to take care of the interest of all stake holders and also to protect the interest of the investment of the R1 company in its subsidiaries."

Appeals filed before NCLAT and Reinstatement of the Committee

- 14.5.8. Both the Union of India and the 63 moons filed separate appeals before the Hon'ble NCLAT, from the above order dated 04.06.2018. Present and past Directors of 63 moons who were affected by the said Order, also filed their respective appeals before the Hon'ble NCLAT. The Hon'ble NCLAT, vide Interim Orders dated 27.06.2018 and 03.07.2018, stayed the order dated 04.06.2018 of the Hon'ble NCLT and continued the functioning of the NCLT Committee constituted pursuant to orders dated 24.06.2016 and 25.06.2016 till the disposal of the said appeals.

Disposal of Appeals by NCLAT and continuation of the Committee

- 14.5.9. Vide Order dated 12.03.2020, the NCLAT disposed of all the appeals challenging the order dated 04.06.2018 passed by the NCLT. The NCLAT also continued functioning of the NCLT committee which is in existence and functioning till date. Having regard to the fact that the order of appointment of the NCLT Committee was a mere modification of the order dated 30.06.2015 passed by the Company Law Board, it is evident that the injunction order of 30.06.2015 as modified continues till date. Accordingly, the restrictions on 63 moons continue even after the disposal of proceedings before the NCLAT. Further, the NCLAT has ordered three directors nominated by the MCA to be appointed on the Board of 63 moons and further held that Jignesh Shah, Dewang Neralla and Manjay Shah are not fit and proper persons to be directors on the board of any company. The relevant part of the Order dated 12.03.2020 is as follows:-

"54. In that view of the matter, while we uphold the impugned order dated 4th June, 2018, with regard to Respondent No.2- Mr. Jignesh Prakash Shah, Respondent No.3- Mr. Dewang Sunderraj Neralla, Respondent No.4- Mr. Manjay Prakash Shah and appointment of Government nominee not more than three Directors to the board of '63 Moons Technologies Limited' to take care of the interest of all stakeholders and also to protect the interest of the investment of the '63 Moons Technologies Limited' in its subsidiaries, however, the part of the order by which Respondent No.9- Mr. Devendra Kumar Agrawal, Respondent No.10- Mr. Berjis Minoo Desai, Respondent No.11- Mr. Anil Chandanmal Singhvi, Respondent No.13- Ms. Nisha Dutt, Respondent No.14- Mr. Sunil Hasmukhlal Shah, Respondent No.15- Mr. Prashant Desai and Respondent No.16- Mr. Jigish Shantilal Sonagara (Appellants herein) were declared as not fit and proper persons to hold the office as Directors or any other office connected with the conduct and management of '63 Moons Technologies Limited' and 'National Spot Exchange Limited' (29th Respondent) and were also not eligible for appointment as Directors in any other company, is set aside."

...

"N.B. On the request of the learned counsel appearing on behalf of Respondent No.2- Mr. Jignesh Prakash Shah, Respondent No.3- Mr. Dewang Sunderraj Neralla, Respondent No.4- Mr. Manjay Prakash Shah, we allow the Committee to supervise the matter. However, with regard to stay of the impugned order is concerned, no order is passed."

Appeals before Supreme Court challenging the order dated 12.03.2020

- 14.5.10. The NCLAT order dated 12.03.2020 is the subject matter of five civil appeals pending in Hon'ble Supreme Court which are as follows:-
- Civil Appeal No. 2538-2540 of 2020 (Manjay Prakash Shah v. Union of India & Ors.);
 - Civil Appeal No. 4648-4649 of 2021 (63 moons technologies ltd. v. Union of India & Ors.);
 - Civil Appeal No. 2555-2556 of 2020 (Jignesh Prakash Shah v. Union of India & Ors.);
 - Civil Appeal No. 4645-4647 of 2021 (Dewang Sunderraj Neralla v. Union of India & Ors.);
 - Civil Appeal No. 1000 of 2020 (NSEL v. Union of India & Ors.)

Interim Order by the Supreme Court

- 14.5.11. The Hon'ble Supreme Court, vide its order dated 09.03.2022, stayed the order dated 12.03.2020 passed by the Hon'ble NCLAT vis a vis the nomination of the three directors made by the MCA on the Board of 63 moons. The Hon'ble Supreme Court also stayed the order to the extent it declared Manjay Shah and Dewang Neralla as not fit and proper persons to be directors on the board of any company and restored their respective Director Identification

Numbers (DIN). No directions were passed with respect to the continuation of the NCLT Committee or the order of injunction that was continued by the NCLAT in the order dated 12.03.2020.

- 14.5.12. The Civil Appeals are currently pending hearing before the Hon'ble Supreme Court and the order dated 09.03.2022 continues to be in force. Thus, the NCLT committee and the injunction order of 30.06.2015 passed by the CLB (as modified by Orders dated 24.06.2016 and 25.06.2016) continue till date.

Conditions for Effecting the Scheme in relation to the proceedings under Section 397 Petition filed under Sections 397 and 398, 388B, 388C, 401, 402, 403, 406, 408 of the Companies Act, 1956.

- 14.5.13. The following condition is necessary for the Scheme to be effective:
- a. Disposal of Civil Appeal Nos. 2538-2540 of 2020, 4648-4649 of 2021, 2555-2556 of 2020, 4645-4647 of 2021, 1000 of 2020 pending in the Hon'ble Supreme Court by setting aside the order dated 12.03.2020 passed by the NCLAT and without any adverse orders against the Appellants therein.

Rationale for the Conditions

- 14.5.14. Company Petition No. 1 of 2015 was filed by MCA to expedite recovery of dues for the Traders (including Specified Creditors). Further, the Scheme provides for the payment of Specified Creditors' Claims, release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims and assignment of the Specified Creditors' Claims to 63 moons. Hence, there is no justification to continue the injunction against the properties of 63 moons and to continue the current proceedings arising out of Company Petition No. 1 of 2015 against Persons in 63 moons Group.

14.6. Criminal Writ Petition No. 2187 of 2015 before the Hon'ble Bombay High Court.

Issuance of Notice by EOW to 63 moons

- 14.6.1. The EOW issued a notice dated 28.02.2015 to 63 moons purportedly under the provisions of the MPID Act and the Code of Criminal Procedure whereby 63 moons, inter alia, was directed by EOW not to sell transfer, alienate any of its asset or properties. 63 moons was also directed to earmark a sum of Rs.84 crores which according to the EOW, was investors' money. Evidently, the notice dated 28.02.2015 was issued to protect what EOW considered to be belonging to investors, viz. the Traders, including Specified Creditors.

Filing of Criminal Writ Petition No. 2187 of 2015 by 63 moons challenging the EOW Notice and Interim Order passed by the Hon'ble Bombay High Court

- 14.6.2. 63 moons challenged the notice by way of Criminal Writ Petition No.2187 of 2015 inter alia on the grounds that : (a) NSEL was not a financial establishment as defined under the provisions of the MPID Act; (b) that the EOW was not authorized under the provisions of the MPID Act to issue the notice dated 28.02.2015 and; (c) that its action was utterly illegal and beyond the scope of the powers of the police under the Code of Criminal Procedure, 1973.
- 14.6.3. Vide order dated 12.06.2015, the Hon'ble Bombay High Court stayed the above directions in the notice dated 28.02.2015 subject to 63 moons depositing a sum of Rs.84 crores with the Bombay High Court.

Deposit by 63 moons of Rs. 84 crores pursuant to Interim Order dated 12.06.2015

- 14.6.4. 63 moons deposited the amount of Rs. 84 crores with the Bombay High Court.

Disposal of Criminal Writ Petition No.2187 of 2015 and subsequent restoration

- 14.6.5. Thereafter, in light of the judgment of Bombay High Court dated 22.08.2019 in Writ Petition No.1181 of 2018 and 508 of 2017 whereby it was held that NSEL is not a financial establishment under the MPID Act, the Bombay High Court, vide order dated 28.08.2019, disposed of Criminal Writ Petition No.2187 of 2015 and permitted 63 moons to withdraw the amount of Rs. 84 crores along with interest accrued thereon.
- 14.6.6. The Bombay High Court's judgment dated 22.08.2019 was challenged before the Supreme Court by the State Government and an association of the Specified Creditors. Vide judgment dated 22.04.2022, the Hon'ble Supreme Court set aside the judgment dated 22.08.2019 of the Hon'ble Bombay High Court.
- 14.6.7. Thereafter, the State Government applied to the Supreme Court vide Misc. Application No.485-486 of 2023 in Civil Appeal Nos. 2748-2749 of 2022 seeking restoration of Criminal Writ Petition No.2187 of 2015. The ground for the same was that Criminal Writ Petition No.2187 of 2015 was disposed of vide order dated 28.08.2019 only on the basis of judgment dated 22.08.2019, which has now been set aside by the Supreme Court vide its judgment dated 22.04.2022 in Civil Appeal Nos.2748-2749 of 2022.

- 14.6.8. The Hon'ble Supreme Court vide order dated 06.04.2023 in Misc Application No. 485-486 of 2023 in Civil Appeal Nos. 2748-249 of 2022 did not permit a revival of Criminal Writ Petition No.2187 of 2015. However, the Hon'ble Supreme Court permitted 63 moons to take recourse to appropriate remedies in accordance with law.
- 14.6.9. Accordingly, 63 moons filed an application for restoration and the Bombay High Court, vide its order dated 27.08.2024, has restored Criminal Writ Petition No.2187 of 2015.

Current Status of Criminal Writ Petition No.2187 of 2015

- 14.6.10. The said Petition is pending final hearing before the Hon'ble Bombay High Court.

Conditions in relation to Criminal Writ Petition No.2187 of 2015 for effecting the Scheme

- 14.6.11. The following condition is necessary for the Scheme to be effective
- a. Disposal of the Criminal Writ Petition No.2187 of 2015 by setting aside the notice dated 28.02.2015 issued by the EOW and directing the Registry of Bombay High Court to release Rs.84 crores alongwith accrued interest thereon, into the Settlement Account.

Rationale for Conditions

- 14.6.12. The EOW, while issuing notice, considered the sum of Rs.84 crores as "investors money", viz. the money belonging to the Traders, including Specified Creditors. It is proposed that the amount of Rs.84 crores deposited with the Bombay High Court, along with accrued interest, be transferred to the Settlement Account for payment to the Specified Creditors.
- 14.6.13. The Scheme provides for the payment of Specified Creditors' Claims, release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims.
- 14.6.14. Hence, the conditions in the Clause 14.6.11. are necessary for the Scheme to become effective.

14.7. Proceedings initiated by the SFIO against NSEL, 63 moons and their Directors and employees

Initiation of Investigation by SFIO

- 14.7.1. The MCA had directed the SFIO to conduct an investigation into the affairs of NSEL and 63 moons vide its letter dated 28.10.2016.

Submission of Report by SFIO to MCA and directions thereon by MCA to initiate proceedings under Sections 241, 246 read with Section 339 of the Act

- 14.7.2. On conclusion of the investigation, SFIO submitted its report dated 31.08.2018 to the MCA. Thereafter, pursuant to the directions issued by the MCA, the SFIO has filed Company Petition No.34 MB of 2020 before the Tribunal and proposed to file proceedings before NCLT Chennai against NSEL and its directors / employees and 63 moons and its directors under Sections 241, 241, 246 read with Section 339 of the Act. The reliefs sought in these proceedings are for holding the respondents therein liable for repayment of debts and liabilities of NSEL, including repayment to the Traders. Hence, it is clear that these proceedings have been initiated by the SFIO with the intent of recovery for the Specified Creditors.

Current Status of the SFIO Proceedings

- 14.7.3. Currently, there is a stay operating in relation to the above proceedings initiated by the SFIO by virtue of the orders dated 15.01.2020 of the Hon'ble Bombay High Court in Criminal Application No.94 of 2020 and 123 of 2020 and order dated 10.09.2020 of the Delhi High Court in Writ Petition (Criminal) No. 1285 of 2020.

Conditions Necessary for effecting the Scheme in relation to the proceedings initiated by the SFIO

- 14.7.4. The following condition is necessary for the Scheme to be effective:
- a. Disposal of Company Petition No.34 MB of 2020 filed by SFIO before the Tribunal and of the proceedings filed by the SFIO (if any) before the NCLT Chennai against Persons in the 63 moons Group without any reliefs being granted on account of resolution of Specified Creditors' Claims as envisaged under this Scheme and there remaining no liabilities.

Rationale for the Conditions

- 14.7.5. The above proceedings initiated by the SFIO under the directions of the MCA are in the nature of restitution proceedings. The prayers in the above petitions filed by the SFIO are seeking to recover the amounts lost by the Traders on account of the Payment Default. The amounts if and when recovered are meant to be paid over to the Traders.

- 14.7.6. The Scheme provides for the payment of Specified Creditors' Claims, and release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims.
- 14.7.7. Whereas the MCA has directed the SFIO to file the proceedings under Sections 241, 246 read with Section 339 of the Act before the NCLT Mumbai as well as NCLT Chennai, in point of fact no petition, at least to the knowledge of NSEL, has been instituted in NCLT Chennai. Even so far as the Company Petition No. 34 MB of 2020 instituted before the NCLT Mumbai is concerned, the same has been stayed pursuant to the orders passed by the Delhi High Court and Bombay High Court. In view of the Scheme as propounded herein, the Petitioners will apply for disposal of the proceedings upon the Scheme being sanctioned by this Tribunal.
- 14.7.8. Since the proceedings initiated by the SFIO are filed with the intent of recovery and the Specified Creditors' Claims are being settled, the continuation of these proceedings would no longer be necessary. Accordingly, the conditions stated in Clause 14.7.4 need to be fulfilled for effecting the Scheme.

14.8. Proceedings pending before the Supreme Court Committee

- 14.8.1. NSEL has filed Writ Petition (Civil) No. 995 of 2019 before the Hon'ble Supreme Court under Article 32 of the Constitution of India, inter alia, for consolidating all execution proceedings vis a vis decrees / awards passed in favor of NSEL against Defaulters and which were pending before the various courts in the country. The Supreme Court Committee came to be appointed vide order dated 04.05.2022 with powers of an execution court and all execution proceedings pending in different execution courts were transferred to the Supreme Court Committee. The Supreme Court Committee has, during the Course of proceedings before it, recovered a sum of approximately Rs. 14.53 crores which has been deposited, as provided in the order dated 04.05.2022 of the Supreme Court in Writ Petition (Civil) No. 995 of 2019, into the account of the Competent Authority.

Conditions necessary for effecting the Scheme in relation to the proceedings before the Supreme Court Committee

- 14.8.2. The following conditions are necessary to be fulfilled for the Scheme to be effective:
 - a. The Supreme Court Committee to transfer the entire amount recovered by it till the Appointed Date in connection with the Payment Default to the Settlement Account;
 - a. Orders being passed confirming that all recoveries by the Supreme Court Committee after the Settlement Trigger Event shall enure solely for the benefit of 63 moons as assignee of Specified Creditors' Claims.

Rationale for Conditions

- 14.8.3. The Supreme Court Committee has been entrusted with the process of execution of decrees, awards, orders obtained by NSEL against Defaulters and Defaulters' Associates and the money so recovered was to enure to the benefit of the Traders. Accordingly, it is contemplated that money recovered by the Supreme Court Committee may be utilized for deposit into the Settlement Account. Further, the Scheme provides for the payment of Specified Creditors' Claims, release and discharge of Persons in 63 moons Group from the Specified Creditors' Claims and assignment of the Specified Creditors' Claims to 63 moons. Hence, the conditions in the above Clause 14.8.2 are necessary for the Scheme to become effective.

SCHEDULE VII

ORDER

Heard the learned counsel for the parties.

Ld. ASG has taken me through various paras of the petition and the order dated 17.12.2013 passed by Forward Markets Commission (Department of Economic Affairs, Ministry of Finance, Govt. of India). Ld. Counsel has highlighted the manner in which the business affairs of FT1L (R- 1) and NSEL (R-29) is being carried out.

Counsel for R-1 and R-29 have pointed out that before issuing any interim direction, an opportunity for filing an affidavit by them should be granted. They have projected that their rights would be prejudiced in the absence of filing any affidavit.

After hearing the counsel for the parties and perusing the paper-book, I am of the view that the Respondents deserve to be given time. Accordingly, two weeks time is granted. Let the affidavits by Respondents be filed within two weeks, with copies in advance to the counsel for

the Petitioner. Counter , if any, be filed within further 2 weeks with a copy in advance to the other side.

I have also considered the prayer for grant of interim relief at this stage to safeguard the interest of all concerned. Keeping in view the order passed by the Forward Markets Commission and the draft merger order dated 21.10.2014 it would be in the interest of justice to direct R-1 not to sell/alienate or create 3rd party rights in the assets and investments of Respondent company till further order. The interim directions would also govern the assets mentioned in para 9.24 and its sub-paras. Such interim order is imperative otherwise the purpose of draft merger order dated 21.10.2014 would be defeated and the order dated 17.12.2013 passed by Forward Markets Commission would be rendered nugatory. Moreover it is in the larger public interest. The aforesaid directions shall be subject to filing of proper authorization by Shri Sanjay Sood, who is stated to have authorization for filing the present petition.

With the consent of the parties, the next hearing is fixed on 02.09.2015 at 2.30 P.M.

- 4. In the correspondence exchanged between NIF and 63moons/ NSEL, the outstanding amount as of 31.07.2024 is assumed at a higher figure i.e. Rs. 4,650 crores against which the Settlement Amount is Rs. 1950 Crores, which is 41.94% of Rs. 4,650 crores.
- 5. Since the accurate particulars of payments made by Competent Authority to the Traders and payments by Brokers to the Traders are not available with NSEL and NIF, NIF has initiated the exercise of reconciliation of the outstanding amounts as on 31.07.2024 by seeking the information from the Specified Creditors.
- 6. Additionally, NIF has procured the Bank details along with copies of cancelled cheque from the Specified Creditors for remitting the settlement amount in the said bank account. Further, details like PAN, Aadhar (in case of individuals) and Board Resolutions (in the case of corporates/ LLP Resolutions (in the case of LLPs) have been sought for KYC verification before making the payment of settlement amount.
- 7. However, since some of the Specified Creditors did not participate in the online polling, the procedure mentioned at (5) and (6) above is pending.
- 8. In these circumstances, the process of payout shall be as follows: -
 - a. Where reconciliation is complete, and details and documents are available: -
 - i. In all cases where reconciliation is complete, the Escrow Agent shall conduct the process of penny drop, that is to say that the Escrow Agent shall transfer a sum of Re. 1 to each of the Bank Account provided by the Specified Creditor. This process shall be carried out at any time after the Tribunal calls for voting by the Specified Creditors on the Scheme.
 - ii. For Specified Creditors where reconciliation of balance as on 31.07.2024 is complete and who have provided details of bank accounts along with cancelled cheque, PAN, Aadhar (in case of individuals) and Board Resolutions (in the case of corporates/ LLP Resolutions (in the case of LLPs), 41.94% of the reconciled amount as on 31.07.2024 shall be paid to such Specified Creditors within a period of seven working days from the deposit of the entire Settlement Amount in the Settlement Account.

- b. Where either the reconciliation is pending or details and / or documents are not available: -

 - The aforementioned process shall be carried out for a period of 6 months after the Settlement Trigger Event. Thereafter, all payouts shall be made by on a quarterly basis for a period of one year after the Settlement Trigger Event. Thereafter, the payouts, if any, shall be made every six months.
- c. Once the value of reconciled outstanding amounts of Specified Creditors as on 31.07.2024 has crossed 95% of Rs. 4650 Crores i.e. Rs. 4417.5 Crores, the approximate total outstanding shall be calculated in the manner illustrated hereinafter.

Amt in Crs

	Scenario 1	Scenario 2
Total Reconciled Balances	4,425.00	4,480.00
Balance amount as on 31.07.2024 as per NIF for remaining Specified Creditors, where reconciliation is pending	195.00	195.00
Total Balance as on 31.07.2024	4,620.00	4,675.00
Total Settlement Amount	1,950.00	1,950.00
% of Settlement Amt. to the Balance	42.21%	41.71%
Minimum committed %	41.94%	41.94%
% eligible for Additional Payout	0.27%	NIL

In Scenario 1, the total outstanding amount so determined is Rs. 4,620 Crores which is lower than Rs.4,650 crores. Therefore, there will be additional 0.27% of the balance outstanding which will be distributed to the Specified Creditors. This excess amount will be paid to the Specified Creditors in proportion to their balance outstanding as on 31.07.2024. For example, if Specified Creditor say X has balance outstanding of Rs. 12,50,000 as on 31.07.24, then X will receive the payouts as follows:

- Initial payment of 41.94% of Rs. 12,50,000/- = Rs. 5,24,250/-
- Additional payment of 0.27% of Rs. 12,50,000/- = Rs. 3,375/-

Total Amount received by X from One Time Settlement = Rs. 5,27,625/-

In Scenario 2, since the total outstanding amount so determined is Rs. 4,675 Crores, which is higher than Rs. 4,650 crores, there will be additional need of funds to satisfy the minimum commitment settlement of 41.94% NIF and the Escrow Agent shall inform 63 moons of the same along with a copy to NSEL. 63 moons shall upon intimation from NIF & Escrow Agent, deposit the incremental amount as required to satisfy the minimum commitment settlement of 41.94% of the balance outstanding as on 31.07.2024 in the Settlement Account. The amount so deposited shall be utilized by the Escrow Agent for onward payment to the Specified Creditors after completion of the process of reconciliation and obtaining details/documents and particulars as set out hereinabove.

- d. After a period of 3 years from the Settlement Trigger Event, should there be any balance left in the Settlement Account the same shall be transferred to the account of Competent Authority by the Escrow Agent with a list of Specified Creditors with their approximate balances to whom payouts have not been made. There will be no excess claim entertained for such Specified Creditors.

9. The process of reconciliation shall be in the following manner:

- Upon filing of the Settlement Scheme, NIF shall provide the details of Specified Creditors to the Escrow Agent who satisfy the following criteria:
 - Specified Creditors whose balances are reconciled as on 31.07.2024 and
 - Details/ documents like Bank details, PAN, Aadhar (Individuals), Board Resolutions (in the case of corporates/ LLP Resolutions (in the case of LLPs) are available.

(hereafter referred as 'Standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of state of affairs of the Company as at 31st March, 2024, the loss and the total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Qualified Opinion

We have conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) under Companies Act, 2013. Our responsibilities under those Standard are further described in the Auditors Responsibility for the audit of standalone financial statements section of our Report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the Audit evidence we have obtained by us is sufficient and appropriate to provide a basis for our opinion. Our opinion are qualified in respect of the following matters-

(a) As stated in note nos. 39,40,41 and 43 to the Standalone Financial Statements, the Company has been served with notices/letters/summons from various statutory authorities/regulators/government departments and some purported aggrieved parties. The Company is party to many proceedings filed by / or against the Company which are pending before different forum pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. The management of the Company does not foresee that the

parties who have filed Civil Suits against the Company will be able to sustain any claim against the Company.

There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. Such matters against the Company are sub-judice before different forums. The Company may be exposed to civil/criminal liabilities in case of any adverse outcome of these investigations/enquiries or legal cases or any other investigations as referred above enquires or suits which may arise at a later.

In the light of the above, the outcome of which is not presently known and is uncertain at this stage, hence we are not able to comment on the current or consequential impact if any, in respect of the same on these Standalone Financial Statements. Also, the matters stated above could also have a consequential impact on the measurement and disclosure of information provided, but not limited to, Balance sheet, Statement of profit/(loss), cashflow, statement of change in equity (SOCIE) and earning per share (EPS) for the year ended and as at 31st March, 2024 in these Standalone Financial Statements.

- (b) The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. In many cases legal notices have been sent to the parties in earlier years; however we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

3. Key Audit Matters

Key Audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

- (a) As stated in note no. 2.3 of the Standalone Financial Statements, the Board of Directors of the Company is of the view that in the short term, its main challenge is to recover the money from defaulting members. As explained by the management, the Company is making all out efforts in recovering the amounts from defaulter members for settlement as well as its trade and other receivables. Order issued by Hon'ble High Court for merger of the company with holding company has been set aside by Hon'ble Supreme court vide order dated 30th April, 2019. The Holding Company has committed to continue the financial support to the Company by way of infusion of capital into the company and on the basis of such support, these financial statements for the year ended 31st March, 2024 are prepared on going concern basis. We have relied on the above mentioned explanations and information given by the Management.
- (b) As stated in note no. 54 of the Standalone Financial Statements, the Company has suspended the recognition of Interest Income on Fixed Deposits attached under the Maharashtra Protection of Interest of Depositors (MPID) Act 1999 due to uncertainty in future economic benefits directly flowing to the Company. The Company shall account for Interest amount on any favourable order by court of law.

Our opinion is not qualified in respect of these matters.

4. Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

5. Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our Objectives are to obtain reasonable assurance about whether the the Standalone financial statements as a whole are free from material misstatement whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matter communicated with those charged with governance, we determined those matters that were of most significance in the audit of Standalone financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations preclude public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be accepted to outweigh the public interest benefit of such communication.

Annexure- B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of National Spot Exchange Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants (ICAI) of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance note on Audit of internal financial controls over financial reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024 based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. General Information

National Spot Exchange Ltd. ('NSEL/ Company') is a Public Limited Company incorporated on May 18, 2005 and domiciled in India having its registered office in Mumbai. Pursuant to an exemption under Section 27 of the Forward Contracts (Regulation) Act, 1952, granted vide Gazette Notification dated June 05, 2007 (Exemption notification) issued by the Ministry of Consumer Affairs, Government of India, NSEL was engaged, inter alia, in the business of providing an electronic platform for trading of "forward contracts of one-day duration" in various commodities since October 15, 2008. Subsequently, Forward Markets Commission (FMC) was nominated as designated agency w.e.f. August 05, 2011 by the MCRA vide letter (S.No.(3)/F.No. 12/3/2003-IT(Pt). The same was notified vide Notification No. S.O. 228(E) dated February 06, 2012.

In July 2013, when Company was constrained to suspend trading of commodities on its electronic platform, by various circulars, the Company had set out the procedure for settlement of outstanding contracts executed prior to suspension of trading under the guidance of Forwards Market Commission (FMC).

The total outstanding contracts worth Rs. 5,68,992.00 lakhs pertained to 24 trading members. Thereafter, out of the 24 trading members, 2 members paid their outstanding payment obligations within a month without disputing their liability while the rest defaulted in their commitments and therefore the remaining 22 trading members were declared as defaulters by Company as per its Byelaws, Rules and Regulations.

Since then, the Company is functioning mainly for recovery from the defaulter members and other Debtors and defending cases filed by or against the Company before various forums.

The Company's Standalone Financial Statements has been authorized for issuance by the Company's Board of Directors on May 10, 2024.

2. Basis of preparation of Financial Statements

2.1 Statement of compliance and Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013("the 2013 Act") read with Companies (Indian Accounting Standards) Rules, 2015, subsequent amendments thereto and the relevant provision of the Companies Act 2013.

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments, which are measured at fair values as required by relevant IndAS.

Accounting policies have been consistently applied except where a newly issued IndAS is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Functional and presentation currency

These Standalone Financial Statements are presented in Indian Rupees in Lakhs, which is also the Company's functional currency. All amounts have been rounded-off to the nearest Rupees, unless otherwise indicated.

2.3 Going Concern Basis

2.3.1 Management's assessment of entity's ability to continue as a going concern:

Following events/ conditions that individually or collectively may cast significant doubt on Company's ability to continue as a going concern:

- a) Stoppage of operational activities by government authority since 31st July 2013 i.e. for more than 6 years and therefore no revenue from operations.

- b) Loss of license to operate the Exchange
- c) Pending legal and regulatory proceedings against the Company if successful, will result in claims that the Company is not likely to satisfy:
- d) Several legal cases filed against the Company and by the company against defaulters and other entities are pending before various forums.

2.3.2 Management's plan to alleviate substantial doubt on Company's ability of continue as a going concern

- a. Holding Company ("63 Moons", 63 Moons Technologies Limited has infused capital of Rs. 29,197.91 Lakhs from FY 2013-14 to FY 2023-2024. Holding Company has committed to continue to infuse funds into the Company.
- b. Net worth of the Company as at 31st March, 2024 is Rs 4,331.09 Lakhs. At appropriate time, the Company is contemplating to commence one of the activities as specified in the Memorandum of Association, subject to necessary regulatory approvals.
- c. Order issued by Hon'ble High Court for merger of the Company with Holding company has been set aside by Hon'ble Supreme court.
- d. Management is hopeful that it will get favorable decision in cases wherein the Company has filed cases against Defaulters and also will successfully defend the cases filed against the Company.

Management of the Company is of the view that in the short term its main challenge is to recover the money from the defaulting members. The Company is making all out efforts as possible under law in monetizing its trade and other receivables.

Management has considered above mitigating factors, and on the above basis, Standalone Financial Statements have been prepared on Going Concern basis.

2.4 Use of judgement and estimates

The preparation of Standalone Financial Statements is in conformity with all Ind-AS issued and applicable which requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (disclosure of contingent liabilities) at the date of the Financial Statements and the results of operations during the reporting period. Although, these estimates are based upon Management's best knowledge of current events and actions, actual results could differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Areas involving critical estimates & judgements are:

- ❖ Leases: whether an arrangement contains lease and lease classification
- ❖ Measurement of defined benefit obligation-key actuarial assumptions
- ❖ Impairment testing
- ❖ Recognition and measurement of provisions and contingencies
- ❖ Estimation of useful life of PPE and intangible assets
- ❖ Estimation of contingent liabilities
- ❖ Impairment of trade and other receivables

3. Material Accounting Policies

3.1 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible.

Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Particulars	Initial recognition	Subsequent recognition
Non-derivative financial instruments		
a) Financial assets	At fair value including directly attributable transaction costs	At amortized cost: If it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding.
b) Financial assets	At fair value including directly attributable transaction costs	At fair value through other comprehensive income: If it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding and also selling financial assets.
c) Financial assets	At fair value excluding directly attributable transaction costs	At fair value through statement of profit and loss: If financial asset is not classified in any of the above categories.
d) Investment in subsidiaries	At Cost	At cost less impairment: in Separate Financial Statement as per Ind AS
e) Financial liabilities	At fair value including directly attributable transaction costs	At amortized cost: using effective interest method.

Derecognition of financial instruments: A financial asset is derecognized by the Company only when:

- It expires; or
 - the Company has transferred the rights to receive cash flows from the financial asset; or
 - if the Company has not retained control of the financial asset; or
 - the Company has transferred substantially all risks and rewards of ownership of the financial asset.
- Any gain or loss on derecognition is recognized in statement of profit and loss including cumulative gain or loss in case of financial assets subsequently valued at fair value through other comprehensive income. In case of financial assets subsequently fair valued through profit or loss, gain or loss is presented on a net basis.

3.2 Impairment

Financial assets:

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has

been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in statement of profit and loss account.

3.3 Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit or loss.

ii. Depreciation and amortization

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method', and is recognized in the statement of profit and loss. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation has been provided on the straight-line method (SLM).

Name of Asset	Revised useful life
Office Equipment	2 to 10 years
Computers	3 to 6 years
Furniture	5 to 10 years
Vehicles	8 years
Networking Equipment's	5 years

Intangible assets are amortized over their estimated useful life as follows:

Assets	Estimated useful life
Patent and Trademarks	10 years
Technical know-how and computer software	6 years

In case of assets acquired during the year from the group companies', depreciation has been charged based on the residual life of the asset.

Depreciation in respect of assets acquired during the year, whose actual cost does not exceed Rs. 5,000/- has been provided at 100% in the year of acquisition.

3.4 Intangible Assets:

Trademarks and Software are stated at cost less amortization.

3.5 Leases:

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

Company as a lessee

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company's incremental borrowing rate is used. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, any remaining amount of the re-measurement is recorded in statement of profit and loss.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components by applying Ind AS 115 Revenue to allocate the consideration in the contract.

Company has selected not to apply the requirements in paragraphs 22-49 of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value and are recognized as an expense on a straight-line basis over the lease term.

Company as a Lessor: Company does not lease out any asset, hence no policy is disclosed.

3.6 Investments:

Current investments are carried individually at the higher of cost and fair value. Long-term investments are carried individually at cost less provision for diminution. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the Management. Cost of investments includes acquisition charges such as brokerage, fees and duties. The difference between carrying amount of the investment determined on average cost basis and sale proceeds, net of expenses, is recognized as gain or loss on sale of investments.

3.7 Other Income:

- a) Interest income on Bank FDR is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate.
- b) In case of interest income on recoverable under litigation, are recognized on receipt basis.

3.8 Retirement Benefits and Other Employee Benefits:

Employee benefits

i. Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period when the employee renders those services.

ii. Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

iii. Defined benefit plans

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated at each reporting date by actuaries using the projected unit credit method. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized, net of tax impact, in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost. The amount of net interest expense calculated by applying the liability discount rate to the net defined liability or asset is charged or credited to 'Finance Cost' in Statement of Profit and Loss.

iv. Gratuity

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity fund is managed by the Life Insurance Corporation of India (LIC). The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. All actuarial gains or losses are immediately recognized in other comprehensive income and permanently excluded from profit or loss. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income.

v. Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Re-measurement gains or losses are recognized in profit or loss in the period in which they arise.

3.9 Provisions (other than for employee benefits)

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

3.10 Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to statement of profit and loss.

3.11 Income Taxes:

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination or to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using applicable tax rates enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax is not recognized for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred

income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax asset/liability. It recognizes deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

3.12 Provisions, Contingent liabilities and Contingent assets

The Company recognizes a provision when there is a present obligation as a result of past event on which it is probable that there will be outflow of resources to settle the obligation in respect of which reliable estimates can be made. Contingent Liabilities are disclosed by way of notes to Financial Statements. Contingent Assets are neither recognized nor disclosed.

3.13 Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

3.14 Cash and Cash Equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

3.15 Operating cycle

Since there is no operating activity during the year, the Company has assumed its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.16 IND AS STANDARDS ISSUED BUT NOT YET EFFECTIVE

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified any IndAS or amendment to existing Ind AS which is not yet effective. Hence their impact on current or future financial statements, if any, cannot be ascertained.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as under:

- Level 1 hierarchy includes methods and input that use active quoted prices depending upon type of instrument. Management has used closing prices and values of closing NAV's as applicable in case of financial instruments covered under this level.
- Under level 2 the fair value of the financial instruments that are not traded in any active market are determined using appropriate valuation techniques with the use of observable market data without relying much on the estimates that are entity specific. The inputs under this level are always observable.
- In case of level 3 if one or more of the significant inputs are not derived on the basis of observable market data then fair value estimations derived with such inputs are included in level 3.

The Company follows a policy to recognize transfers between the levels only at the end of reporting period and accordingly there are no transfers between levels during the year.

The information based on the above levels is tabulated here below:

Fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, it manages its risk as given below.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis, Credit rating	Diversification of bank, deposits
Liquidity risk	Business commitment and other liabilities	Through forecasts of cash flow	Availability of committed funds through equity infusion
Market risk – security prices	Investments in equity instruments and debt mutual funds	Sensitivity analysis	Portfolio diversification

(A) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations. To manage trade receivable, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, analysis of historical bad debts and ageing of such receivables.

Financial instruments that are subject to such risk, principally consist of investments, trade and other receivables and loans and advances.

(B) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

(i) Financing arrangements

There is no undrawn financing arrangement available with the Company at the year end.

(ii) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities

Particulars	(Amount Rs. In Lakhs)

Other financial liabilities	15,062.53	15,072.84
	39,027.38	38,969.06

(C) Market risk**Interest rate risk****Liabilities**

The Company's policy is to minimize interest rate cash flow risk exposures on external financing. At March 31, 2024 and March 31, 2023, the Company is not exposed to changes in interest rates, as there are no bank borrowings carrying variable interest rates. The Company's investments in fixed deposits carry fixed interest rates.

Assets

The Company's fixed deposits are carried at amortized cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Capital management

The Company's objectives when managing capital is to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders.

29. Segment Information

During the year, the Company has no business income. Hence, no segment reporting has been done.

30. The Financial Assets and Financial Liabilities are shown at value at the time of transaction entered. Since the company has initiated/defending litigation/inquiry at various forums /tribunals it has to show at cost. Further because the matters are sub-juiced, hence the fair value of those assets and liabilities are treated same as book value.

31. Disclosures Required Under Section 22 Of The Micro, Small and Medium Enterprises Development Act, 2006:

- An amount of Rs. 10.14 Lakhs (Previous Year Rs. 30.38 Lakhs) was due and outstanding to suppliers as at the end of the accounting year on account of Principal. (Refer Note 18)
- No interest paid during the year.
- Rs Nil/-interest is accrued and remains unpaid at the end of the year.

The above information regarding Micro, Small and Medium Enterprises has been determined to the extent communication have been received from vendors/suppliers regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006. This has been relied upon by the auditors.

(i) SGF-MC balance as at 31st March 2024

The Company has a separate Settlement Guarantee Fund, which is created out of Members' Contribution (SGF-MC) in respect of the activities carried out on the spot trading in various contracts on Exchange. The members were required to contribute to the fund in the form of security deposit and interest free margin money in the form of cash and non-cash, which forms part of the SGF-MC. The margin money was refundable, subject to adjustments, if any and exposure of members. The cash margin money forming part of SGF-MC was Rs.3,746.09 Lakhs (Previous year Rs. 3,746.09 Lakhs) (included in Note no. 19 on other financial liabilities under member's liabilities). The Company had also collected non cash portion of the SGF-MC comprising of collaterals such as bank guarantees, securities and fixed deposits receipts received from the members and the same was refunded to the members. Non cash component is disclosed by way of "Notes to Accounts."

- (ii) The SGF-MC currently shows a net outstanding amount of Rs. 3,746.09 Lakhs (Previous year Rs. 3,746.09 Lakhs) which is pertaining to the existing clearing Members. While the exchange has taken many legal, regulatory and commercial measures against the defaulters, it is not clear how much money would be eventually recovered and by when, as the entire process is sub-judice. In case the Exchange fails to secure the balance money or there is undue delay in recovery then the Exchange would as per the bye laws call for the balance amount as may be considered appropriate to be recovered from all non-defaulting clearing members as per its bye law number 12.9.2 and 12.10 besides other applicable bye laws for settlement of claims. However, this decision would be taken at an appropriate time when considered suitable by the Company and as per legal advice.

Accordingly, 63 Moons, purely as a goodwill gesture, without admitting any liability and without prejudice, granted interest bearing bridge loan of Rs. 17,939.81 Lakhs to the Company, repayable to 63 Moons out of receipt of amount from members.

- b) Recovery from defaulting members is under progress. Since entire matter is sub-judice, it may take longer time to recover entire amount from defaulters. Accordingly, repayment of loan to 63 Moons may also happen at a date later than one year from Balance sheet date.

With a view to reflect fair position for the purpose of presenting in respect of Company's obligation of repayment of loan, same is disclosed under "Non-current borrowing".

- c) 63 Moons has not charged any interest on the bridge loan given to the Company from FY 2015-16 onwards, but has legal right to recover the same. **Independent Auditor's Review Report on the
Unaudited Standalone financial results for the Nine months ended December 31, 2024**

**To,
The Board of Directors of
National Spot Exchange Limited**

We have reviewed the accompanying statement of unaudited standalone financial results of National Spot Exchange Limited ("the Company"), which includes joint operations, for the nine months ended December 31, 2024 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies

Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion

Basis for Qualified Conclusion:

- a) There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company and served with notices/letters/summons from various statutory authorities/regulators/government departments and some purported aggrieved parties. Such matters against the Company are sub-judice before different forums. The Company may be exposed to civil/criminal liabilities in case of any adverse outcome of these investigations/enquiries or legal cases or any other investigations as referred above enquires or suits which may arise later. The management of the Company does not foresee that the parties who have filed Civil suits against the Company will be able to sustain any claim against the Company.

In the light of the above representations regarding the ongoing investigations and matters, the outcome of which is not known and is uncertain at this stage, we are unable to comment on the consequential impact in respect of the same on the results for the nine months ended December 31, 2024.

- b) The other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. In many cases legal notices have been sent to the parties in earlier years; however, we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

Other Matters:

- a) The Company has suspended the recognition of Interest Income on Fixed Deposits attached under the Maharashtra Protection of Interest of Depositors (MPID) Act 1999 due to uncertainty in future economic benefits directly flowing to the

Company. The Company shall account for Interest amount on any favourable order by court of law. As a result, to that extent the Interest Income shall be not comparable to the corresponding previous year period.

- b) The Company has received a letter dated November 08, 2024, from the NSEL Investors Forum (NIF) requesting consideration of a one-time full and final amicable settlement to resolve litigation related to the NSEL payment. The Company is actively evaluating the proposal and taking all necessary steps to move forward positively.

Qualified Conclusion:

Except for the possible effects of the matter specified under 'Basis for Qualified Opinion', and based on our audit conducted as stated above, in our opinion and to the best of our information and according to the explanations given to us. Nothing has come to our attention that causes us to believe that these financial statements does not present fairly, in all material respects, the financial position of National Spot Exchange Limited as at December 31, 2024, and of its financial performance and cash flows for the period then ended, in accordance with the Indian Accounting Standards referred to in the Act and other accounting principles generally accepted in India.

ORDER

1. The proposed Scheme of Arrangement sought under Section 230 1(b) of the Companies Act, 2013 and other Applicable provisions of the Companies Act, 2013 between National Spot Exchange Limited (“**Applicant Company**”) and its Specified Creditors (as defined in the Scheme and set out in Schedule III to the Scheme) is filed under Section 230 of the Companies Act, 2013 (“**Act**”).
2. The Applicant Company is engaged in the business of running an electronic exchange platform for trading of forward contracts of one day duration in commodities.

- 
3. The Board of Directors have approved the Scheme of Arrangement in their meeting held on 18.02.2025 and the Appointed Date is the date on which the Scheme is approved by this Tribunal.
 4. The Scheme *inter alia* provides for the arrangement between the Applicant Company and its Specified Creditors under Section 230 and other applicable provisions of the Act.
 5. **Rationale of the Scheme:**

The Applicant Company submits that the Rationale for, and Benefits of, the Scheme are as under :

- a. In August 2013, 24 Members of the Applicant Company defaulted in honoring their respective pay-in obligations on its exchange platform. As a result of this default, there was a failure in making pay-outs to their counter-party Members of the Applicant Company / Brokers, resulting in a payment default of about Rs. 5,402.71 Crores towards the Traders. In view of the fact that no substantial resolution has been achieved in the proceedings till date for the Specified Creditors, NSEL Investors Forum (“NIF”) as a representative of the Specified Creditors, the Applicant Company and the parent company of the Applicant Company, viz. 63 moons technologies ltd. (“63 moons”) came together to find a solution to ensure substantial resolution of the outstanding dues of the Specified Creditors.
- b. On account of these deliberations amongst NIF, the Applicant Company and 63 moons, an understanding

has been arrived at that if a one-time settlement amount of Rs. 1,950 crores were to be paid to the Specified Creditors, then the Persons in 63 moons Group (Applicant Company, 63 moons and others) shall stand released and discharged from all Specified Creditors' Claims as set out in Clause 19 and further that the Specified Creditors shall assign the Specified Creditors' Claims to 63 moons as set out in Clause 21. A proposal was put forth by NIF to 63 moons and NSEL vide letter dated 08.11.2024. The broad terms of the proposal are contained in paragraph 5 of the letter dated 08.11.2024 issued by NIF to 63 moons and NSEL.

- c. Thereafter, the above proposal was put forth to the Specified Creditors for their consent by NIF through an online voting mechanism on the website *www.nsel-ots.in* as NIF does not represent all the Specified Creditors. A majority of the Specified Creditors, being 3,088 in number and having approximately 64.11% in value of the outstanding claims voted in favour of the above proposal for one-time settlement.
- d. Since an encouraging response has been received from Specified Creditors, it has been thought fit to initiate the present proceedings by way of a scheme under Section 230 of the Act so as to bring about a one-time settlement and closure of legal proceedings which are pending before various fora.
- e. The Specified Creditors are Traders (as defined in the Scheme) whose outstanding amounts in August 2013 were in excess of Rs.10 lakhs as referred to in Schedule

III of the Scheme. The Scheme is in the interest of the Specified Creditors having regard to the fact that more than 11 years have elapsed since the Payment Default and despite efforts by all parties concerned, the matter has not been resolved for the Specified Creditors. The one-time settlement would result in the Specified Creditors receiving money within a finite period of time. It has, therefore, been thought fit to initiate the present proceedings to arrive at and implement a one-time settlement for the Specified Creditors' Claims.

- f. The Scheme states that the claims of Traders whose outstanding amounts were less than Rs.10 lakhs in August, 2013 have already been settled as set out in the Scheme.
 - g. In so far as the Applicant Company is concerned, the Scheme would result in closure of various legal proceedings against it and a release and discharge of liabilities from the Specified Creditors' Claims and removal of restraints in dealing with its properties.
 - h. For 63 moons, in addition to closure of various legal proceedings and release and discharge of liabilities from the Specified Creditors' Claims, the Scheme entails an assignment of the Specified Creditors' Claims to 63 moons and removal of restraints in dealing with its properties.
8. The Equity Shares of the Applicant Company are not listed on the National Stock Exchange of India Limited ("NSE")

and the BSE Limited (“**BSE**”). The Applicant Company is not registered with the Insurance Regulatory and Development Authority of India (“**IRDA**”) as a Corporate Agent in terms of the IRDA (Registration of Corporate Agents) Regulations, 2015.

9. The authorized, issued, subscribed and paid-up share capital of Applicant Company as on 31.03.2024 is as follows:

Particular	Number of Shares	Face Value (in INR)	Total Amount (in INR)
Authorised Share Capital	46,00,00,000	10	460,00,00,000
Issued Share Capital	38,94,79,054	10	389,47,90,540

ii) Partly Paid @ Rs 2.5/-	3,00,00,000	2.5	7,50,00,000
			3,66,97,90,540

10. Following changes were made in the authorized share capital of the Applicant Company in the last 5 years :

11. During the course of arguments, the Learned Counsel for LJ Tanna Enterprise Private Limited & Others sought to intervene in the Application stating that he represents depositors, who have filed an application vide Diary No. 2709138028942025 opposing the admission of present application seeking directions for convening meeting of specified creditors as Scheme as proposed is unconscionable, contrary to public policy, *de hors* jurisdiction, *mala fide* and fraudulent. These depositors are stated to be holding less than 1% share in the total claims of specified depositors with whom the Scheme proposes an arrangement. The Learned Counsel placed reliance on decision of this Tribunal in the case of *Vedanta Limited, Vedanta Aluminium Metal Limited and Ors. [C.A.(CAA) / MB/220 / 2024]* and *Supreme Housing and Hospitality Pvt Ltd [C.A. (CAA) 233/ MB/ C – III/ 2023]* to contend that this Tribunal ought to consider their objections at the first motion itself as the proposed Scheme unconscionable, contrary to public policy, *de hors* jurisdiction, *mala fide* and fraudulent. The Learned Counsel has made following submissions :

- a. this Tribunal lacks jurisdiction to entertain the Scheme in view of the *non-obstante* provision contained in

Section 14 of the MPID Act as the proposed Scheme seeks to vacate attachment over Properties of Applicant Company & its Holding Company under MPID Act.

- b. The Scheme is conditional and contingent on release of Applicant's Holding Company assets.
- c. The Scheme affects the 'Consenting Brokers' who are not parties to the present Scheme.
- d. The Scheme seeks to extinguish legal proceedings against the Applicant Company and its group entities.
- e. The Scheme would be binding on non-consenting creditors which is contrary to legal rights of individual dissenting depositors and would be ultra vires Article 14 and Article 21 of the Constitution of India.
- f. The Scheme fails to disclose the judgement and decision of the Hon'ble Supreme Court in State of Maharashtra v. 63 Moons Technologies Limited (Civil Appeals Nos. 2748-49 & 2750-51/22 dated 22.04.2022 reported in (2022) 9 SCC 457).
- g. The funds deposited by and assets attached of 63 Moons and Applicant Company pursuant to various orders passed by various Courts, cannot form the subject matter of the present Scheme.

-
- h. The Scheme is not bona-fide as it seeks to achieve indirectly what cannot be done directly viz release of assets of 63 Moons and extinguishment of all civil and criminal proceedings without following the due process of law based on 75% majority consent.
- i. The Scheme is against the public policy as allowing an entity who has been adjudged as a conspirator to fraud by Hon'ble Supreme Court to compromise the matter and escape the consequences of the law dilutes the rule of law of the country.
12. Ld. Senior Counsel appearing for the Applicant submits that Scheme does not contemplate vacating any attachment warrant by virtue of approval of the Scheme. In fact, it provides that after approval of the Scheme, Applicant/ 63 Moons will approach respective courts to seek appropriate orders. Further, the question of overriding the MPID Act will arise only when there is conflict. As far as sanctioning scheme or compromise between creditors is concerned, exclusive jurisdiction vest with this Tribunal under Companies Act, 2013. There is no question of overriding between two legislations as they operate in different spheres and both MPID Court and this Tribunal have completely different jurisdiction. It is submitted that the scheme provides that the parties will make appropriate applications before the Hon'ble Bombay High Court for the disposal of the Suits. Hence, contentions raised on behalf of the Objectors is misplaced. It was also submitted that -
- a. This is not the stage at which any objection of any creditor can be considered or adjudicated;

-
- b. Objector does not meet the statutory requirement / percentage as prescribed to object to the scheme;
- c. It is only the statutory authority at whose behest such attachment levied can object to the scheme.
13. Ld. Sr. Counsel appearing for the NSEL Investor Forum states that investors have been waiting to recover their investments for many years, and the present Petition, if approved, by this Tribunal, shall enable recoveries of substantial claims of the investors. Therefore, the objection of the Applicants can be examined after a meeting of the investors is held and a chance is given to them as regards the acceptability of the scheme in accordance with law.
14. Heard the learned Counsel for the objectors and ld. Counsel for the Applicant.
- 14.1. The Learned Counsel for the Objector was heard as he cited co-ordinate bench decisions in case of *Vedanta Limited (Supra)* and *Supreme Housing (Supra)*, wherein, this Tribunal after considering the decisions in case of ***Rainbow Denim Ltd. v. Rama Petrochemicals Ltd. (2002) 10 SCC 498*** and ***MEL Windmills Pvt. Ltd. Vs. Mineral Enterprises Limited And Anr. Company Appeal (2019) ibclaw.in 539*** NCLAT entertained the objections at the first motion itself and rejected the admission of the Application u/s 230(1) of the Companies Act, 2013. We note that the co-ordinate Bench in case of *Vendata Limited (Supra)* dismissed the application on the ground of suppression of facts relating to one creditors; and in case of *Supreme Hospitality (Supra)*, the application was dismissed as it

sought settlement of dues owed to creditors under the Scheme by sale of assets which are already subject matter of restraint order passed by Hon'ble Bombay High Court and an application u/s 7 of IBC was pending against the Applicant company therein, which is sought to be scuttled by the proposed scheme. The co-ordinate bench of this Tribunal in those cases did so in view of Rule 5 of Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 providing that *"Upon hearing the application under sub-section (1) of section 230 of the Act, the Tribunal shall, unless it thinks fit for any reason to dismiss the application, give such directions as it may think necessary"*

14.2. In the present case, the Scheme contemplates release of attached properties and extinguishment of civil & criminal cases against the specified persons upon compromise being entered with the specified creditors and payment settlement amount to them. The attachment over the properties is in place under THE MAHARASHTRA PROTECTION OF INTEREST OF DEPOSITORS (IN FINANCIAL ESTABLISHMENTS) ACT, 1999 ("MPID Act"), at the behest of Competent Authority under the said Act. This Act was enacted to *"to protect the interest of depositors in the Financial Establishments and matters relating thereto"* as its preamble reads. Section 4 of the said Act reads as *".....if the Government is satisfied that such Financial Establishment is not likely to return the deposits or make payment of interest or other benefits assured or to provide*

the services against which the deposit is received, the Government may, in order to protect the interest of the depositors of such Financial Establishment, after recording reasons in writing, issue an order by publishing it in the Official Gazette, attaching the money or other property believed to have been acquired by such Financial Establishment either in its own name or in the name of any other person from out of the deposits, collected by the Financial Establishment.....” This makes it amply clear that the purpose of attachment is to secure the interest of depositors and the Competent Authority under MPID Act is vested with the attached properties after confirmation of attachment by designated court to secure such interest of the affected creditors. The object and purport of arrangement with creditors in terms of Section 230 of the Companies Act, 2013 is also to secure and protect the interest of creditors. Accordingly, we are of considered view that there is no inconsistency in the provisions of Section 230 of Companies Act, 2013 and the provisions of MPID Act. As the property sought to be released is vested in the Competent Authority for the benefit of Specified Creditors and such Competent Authority is obligated to act as custodian of interest of the Specified Creditors, we are of considered view that Competent Authority’s comments on the proposal under the Scheme in relation of release of properties and extinguishment of civil & criminal cases under MPID Act is of utmost importance to decide on illegality and enforceability of the proposed Scheme. Further, various agencies i.e. SFIO and ED are seized

of the matter and investigating the issue of alleged fraud. Accordingly, the purpose would be served at this juncture by issuing notice(s) to Competent Authority under MPID Act, SFIO and ED for their comments on the proposals in the scheme.

14.3. Even if it is considered that the implementation of proposed scheme is contingent upon release of the attached properties and extinguishment of Civil & Criminal cases, it does not affect the rights of the dissenting specified creditors in any manner as the withdrawal of civil & criminal cases is contemplated after settlement of their claims in terms of the Scheme.

14.4. Non-disclosure of judgement and decision of the Hon'ble Supreme Court in State of Maharashtra v. 63 Moons Technologies Limited (Civil Appeals Nos. 2748-49 & 2750-51/22 dated 22.04.2022 reported in (2022) 9 SCC 457) is not material fact as the said decision deals with the notification for attachment of the properties, which undisputedly are being sought to be released in this Scheme. This decision only confirms the validity of the attachment and no one is disputing the said fact.

14.5. It would be appropriate to look into the aspect of Public Policy in the light of comments of the Central Government, who can be afforded opportunity to file its say after the Scheme is approved by specified creditors and it shall be premature to seek such comments at this stage.

14.6. In view of above, we are of considered view that the objections of the Intervenor are premature at this stage and cannot be considered de hors the comments of Competent Authority under MPID Act, SFIO and ED. Accordingly, we do not find any prima-facie reason to dismiss this application in terms of Rule 5 of Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 at this stage. We clarify that the dissenting financial creditors, if any, shall be at liberty to object to the scheme on these issues at final hearing subject to them meeting the prescribed threshold, unless dispensed with by us for cogent reasons.

15. As on date of filing of the Company Application, there were total 7 (Seven) Equity Shareholders in the Applicant Company. Out of the 7 shareholders, 5 shareholders are nominees of 63 moons. 63 moons, being the 99.99% equity shareholder of the Applicant Company, has given its consent for approval of the Scheme. Mr. Hariraj Chouhan, Sr. Vice President & Company Secretary of 63 moons who is duly empowered by the Board of Directors of 63 moons vide resolution dated 18.02.2025 has filed an Affidavit giving consent for approval of the Scheme. In view of the fact that nominee shareholders do not have beneficial interest, and considering that 63 moons has expressly consented to the Scheme, the consent of nominee shareholders is deemed to have been accorded. In view of the fact that the parent company (63 moons) has given consent to the proposed

Scheme, the meeting of the Equity Shareholders of the Applicant is hereby dispensed with.

16. There are no Secured Creditors in the Applicant Company as on February 28, 2025. Since the Applicant Company has no Secured Creditors, the question of convening and holding a meeting of the Secured Creditors of the Applicant Company does not arise.
17. The learned Counsel for the Applicant Company submits that there is no requirement for convening meeting of the unsecured creditors of Applicant Company on account of the following reasons :
 - a. The Scheme under consideration is not one between the Applicant Company and its unsecured creditors but pertains specifically to a defined class, namely the Specified Creditors.
 - b. The Settlement Amount under the Scheme is coming from 63 moons in accordance with the provisions set out in the Scheme.
 - c. The portion of the settlement amount coming from the assets of Applicant Company is not a fund that could have been available to the unsecured creditors. This is because such funds are either attached under the Maharashtra Protection of Interest of Depositors (in Financial Establishments) Act, 1999 (“**MPID Act**”) or deposited in a suit filed by the Specified Creditors before Hon’ble Bombay High Court.

d. The unsecured creditors remain unaffected by the Scheme as it solely governs the settlement of claims of the Specified Creditors at a rate of 42 paise per rupee. The claims of the unsecured creditors against the Applicant Company remain unaltered and will continue as they stand.

17.1. Since there is no compromise offered to the creditors of the Applicant Company other than its Specified Creditors, the meeting of the Unsecured Creditors (other than its Specified Creditors) is hereby dispensed with.

18. It is submitted that the Specified Creditors are 5,682 in number and they are scattered all over India, due to which they will face difficulty in attending a physical meeting on a given day, time and place. At the same time, convening a virtual meeting of such a large number of Specified Creditors will also have challenges. Pertinently, a majority of the Specified Creditors (i.e. 3,088 in number) have already accorded consent to the one-time settlement as was proposed during the online polling exercise conducted by NIF.

18.1. It is further submitted that the Specified Creditors are 5,682 in number and geographically dispersed across India, accordingly all Specified Creditors can be reasonably expected to attend. Conducting a virtual meeting also presents significant challenges given the scale of participation, potential technical constraints, and the need to ensure a smooth, transparent and uninterrupted voting process. Given these challenges, postal ballot with a facility of voting through electronic means (e-voting) provides the most effective, transparent, and legally sound mechanism to

facilitate Specified Creditors' comprehensive participation that will ensure that every Specified Creditor has a fair opportunity to vote on the Scheme. The Applicant Company is stated to have entered into a Bipartite Agreement with National Securities Depository Limited ("NSDL") dated 11.03.2025 for availing services of electronic voting platform of NSDL.

18.2. Since, the proposed Scheme contemplates arrangement with the Specified Creditors, we consider it appropriate to direct convening of a meeting of the Specified Creditors to be held through postal ballot with a facility of voting through electronic means (e-voting) as per Section 110(1)(b) of the Act read with Rule 20 Companies (Management and Administration) Rules, 2014, for the purpose of considering and if thought fit, approving, the proposed Scheme.

18.3. In view of the aforesaid, the Applicant company is directed to issue public notice by way of newspaper advertisement in a newspaper of nationwide circulation i.e. Times of India, in English (all editions) and translation thereof in Navshakti in Marathi and also issue individual notices *by* way of email/Speed-post in line with the requirement of Section 230(3) of the Companies Act, 2013, to all the Specified Creditors of the Applicant Company, and to furnish physical copy of the notice of postal ballot, whoever requests for the same, so that Specified Creditors can vote on the proposed resolution by way of postal ballot with a facility of voting through electronic means (e-voting).

18.4. However, in light of the circulars issued by the Ministry of Corporate Affairs and the reasons mentioned hereinabove, it is directed that the voting by the Specified Creditors of the Applicant Company shall be carried out through postal ballot with a facility of voting through electronic means (e-voting), for the purpose of considering and if thought fit, approving, the proposed Scheme.

18.5. The voting rights of the Specified Creditors of the Applicant Company shall be in proportion to the Specified Creditors' Claims as on the cut-off date of 31.07.2024 specified in the Scheme.

18.6. At least 30 (thirty) clear days before the last date fixed for the submission of postal ballots, a notice, indicating the date and time for the commencement and conclusion of postal ballot, containing instructions with regard to e-voting through postal ballot, together with a copy of the Scheme, a copy of the Explanatory Statement as required to be sent under Section 230(3) of the Companies Act, 2013 read with Rule 6 of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 shall be sent to the specified Creditors of Applicant Company by electronic mail to their registered e-mail address, as per the records available with the Applicant Company. Specified Creditors whose e-mail addresses are not available, shall be provided an opportunity by way advertisement mentioned below to register their e-mail address to receive the notice of the postal ballot, and to provide access to download the notice of the postal ballot from the website of the Applicant Company, for those Specified Creditors who may not have

received the said postal ballot notice. The Applicant Company shall ensure that, the specified creditors whose e-mail addresses are not available or who have not received notice of the postal ballot, can access/ download the notice from the website of the Applicant Company at: www.nationalspotexchange.com, and for this purpose, the NIF shall also send an independent communication about the voting process to its members and provide the proof of such communication to the Applicant Company, who shall submit the same by way of affidavit of service before this Tribunal.

18.7. It is also directed that an advertisement about the postal ballot, indicating the date and time for the commencement and conclusion of the postal ballot, shall be published by the Applicant Company in 'Times of India' in English circulated in all Editions in India and translation thereof in 'Navshakti' in Marathi, circulated in Maharashtra, at least 30 (thirty) days before the last date fixed for the submission of postal ballots by the Specified Creditors of the Applicant Company. The publication shall also indicate that the statement required to be furnished pursuant to Section 102 read with Section 230 of the Act can be obtained free of charge at the Registered Office of the Applicant Company in accordance with the second proviso to sub- section (3) of Section 230 of the Act and Rule 7 of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016.

18.8. It is further directed that the Applicant Company shall publish the notice for postal ballot along with a copy of the

Scheme on its website at least 30 (thirty) days before the last date fixed for the submission of postal ballots by the Specified Creditors of the Applicant Company.

18.9. The Applicant Company shall also send a synopsis of scheme explaining the reliefs/concessions sought from the Specified Creditors and various authorities and the consideration payable to them along with the manner and timelines of such payment clearly specifying the condition precedent to such payment.

19. The Applicant Company is directed to serve notice along with a copy of the Scheme to the following statutory authorities/persons under the provisions of Section 230 (5) of the Act :-

SYNOPSIS OF THE SCHEME OF ARRANGEMENT BETWEEN NATIONAL SPOT EXCHANGE LIMITED AND SPECIFIED CREDITORS

I. Background

1. National Spot Exchange Limited (hereinafter referred to as ("NSEL")) was incorporated on 18.05.2005 as a public limited company.
2. NSEL operated an electronic spot exchange platform for commodity trading. A Gazette Notification dated 05.06.2007 exempted "forward contracts of one-day duration" on NSEL's platform from FCRA provisions, subject to conditions. NSEL framed its Byelaws and Rules accordingly, and trading commenced in October 2008.
3. The payment defaults on the NSEL exchange platform in August 2013 led to widespread litigation involving multiple stakeholders, including traders, brokers, and NSEL's parent company, 63 moons technologies limited. (hereinafter referred to as "63 moons"). The traders, who suffered loss due to the default ("**Traders**"), have ongoing claims that remain disputed, particularly by NSEL, 63 moons, and associated entities. Litigation proceedings have remained pending for more than 11 years.
4. The claims of Traders who had receivables in respect of their trades on NSEL platform upto Rs.10 lakhs have been settled from time to time and have been fully paid. The present Scheme is a Scheme of arrangement between NSEL and those Traders who had claims in excess of Rs. 10 lakhs ("**Specified Creditors**").
5. Nsel Investors Forum ("NIF") as a representative of the Specified Creditors, NSEL and 63 moons came together to find a solution to ensure substantial resolution of the outstanding dues of the Specified Creditors through the mechanism of the present Scheme.
6. On account of these deliberations amongst NIF, NSEL and 63 moons, an understanding has been arrived at that if a one-time settlement amount of Rs. 1,950 crores were to be paid by 63 moons and NSEL to the Specified Creditors, then the Persons in 63 moons Group (as defined in the Scheme) shall stand released and discharged from all Specified Creditors' Claims (as defined in the Scheme) as set out in Clause 19 and further that the Specified Creditors shall assign the Specified Creditors' Claims to 63 moons. A proposal was put forth by NIF to 63 moons and NSEL vide letter dated 08.11.2024.
7. Under the terms of the proposed settlement, the Rs. 1,950 crores will be distributed to all Specified Creditors in proportion to their outstanding claims as of 31.07.2024. There will be no preferential treatment or graded payments; instead, all Specified Creditors will receive their dues on a pro-rata basis.
8. Since NIF does not represent all Specified Creditors, an online voting mechanism was conducted through the website www.nsel-ots.in to gauge support for the settlement. A majority 3,088 creditors, representing approximately 64.11 % of the outstanding claims voted in favour of the one-time settlement. NIF confirmed vide its letter dated 13.12.2025 to NSEL thereby providing data regarding the poll arranged by NIF and *inter alia* informing that 3088 investors (denoting value of claims of Rs. 2951.85 crores) consented to the one time settlement proposal.
9. Thereafter, it was proposed to proceed with a formal Scheme of Arrangement under Section 230 of the Companies Act, 2013, to ensure a legally binding and enforceable settlement. The Board of Directors of NSEL approved the Scheme of Arrangement by way of a resolution passed in the meeting of Board of Directors on 18.02.2025.
10. Accordingly, the present Scheme of Arrangement was filed before the National Company Law Tribunal, Mumbai by way of Company Application No. 65/MB/2025.

II. Reliefs/Concessions Sought:

 - c. Distribution of the Settlement Amount to be conducted by the Escrow Agent under the supervision of the Monitoring Authority (Justice S.C. Gupte, ret'd. Judge of the Bombay High Court.)
 - d. Upon the Settlement Trigger Event, all liabilities of 63 moons and Persons in the 63 moons Group towards the Specified Creditors' Claims will be discharged. This includes any claims arising from the Payment Default or transactions executed on the exchange platform of NSEL

- e. Upon the Settlement Trigger Event (the date the Escrow Agent makes any payment to Specified Creditors), all Specified Creditors' Claims will automatically stand assigned to 63 moons.

12. The Scheme requires the fulfilment of several conditions related to ongoing proceedings before various authorities for it to become effective. This includes civil suits, proceedings under the MPID Act, PMLA, and proceedings initiated by the SFIO among others. These include:

The Effective Date of the Scheme, which is when the Scheme comes into effect, is the date on which the last of all the conditions stipulated in Clause 14 (related to the disposal of various proceedings and release of attachments) is fulfilled, unless waived by 63 moons. Several conditions must be fulfilled for the Scheme to become effective which is as follows:
- a. **Court Orders:** Specific court orders must be obtained to facilitate the release of funds and properties. This includes orders from the Bombay High Court, MPID Court, and other relevant authorities.
 - b. **Release of Attachments:** Various properties attached under the MPID Act, PMLA, Civil Suits, and other legal proceedings must be released so they can be utilized for the Settlement Amount.
